WORKSHOPS

2023 Founder - Draw & Drink Lincoln

Responsible for organising 2 hour classes of around 15-20 adults, teaching them to draw and paint from a live model.

2023 Founder - Clay Play Lincoln

Introduction to clay for complete beginners. 2 hour sessions working with air dry clay, teaching adults basic clay building techniques.

2021 Art Teacher - Tonic Health

Running creative mixed media workshops for groups of adults to help tackle loneliness in the community and improve quality of life. Including a support group for adults diagnosed with Alzheimer's disease, and a 'Safe Places' group for adults with various mental health issues.

2019-2020 Art Teacher - ArtNight Ltd

Solely responsible for organising 2 hour classes of around 15-20 adults, teaching them creative painting workshops through live painting demonstrations.

Ellie Benton (Born 1990, Lincoln, UK) uses painting and drawing to explore the realms of intuitive abstracts, giving form to emotions and experiences that are often beyond words. Her works serves as an invitation to step into a world of vivid colours, and celebrate the human spirit through play. It encourages us to embrace our intuitive nature and to dance to the rhythm of life.
